

## DOC Population Statistics

### Average Daily Population for October 2012 through March 2018

Average Daily Inmate Population is presented by DC Department of Corrections facility type for October 2012 through March 2018. The inmate population shows a downward trend for the period of October 2012 through May 2015, with slight seasonal variation resulting in a drop of over 1600 inmates. However, since June 2015 there has been an increase in the population of about 500 inmates. Those charged with assault, parole or release violation, US District Court or US Marshall's Service commitments, and robbery or burglary accounted for approximately 52.3% of the incarcerated as of March 31, 2018.

*As of February 2017 both Short Term Sentenced Felons (STSF) and United States Marshall Service (USMS) Inmates will be included in the CTF Population count.*
